## **Application to enrol:**

for online Career Builder Programmes  
offered by Gradcampus.com

Kickstart your career!

Part of the

**GradCampus's Career Builder Programmes are offered in support of accessibility to education and to promote workplace readiness for young South Africans. Applications will be considered on a first come first served basis.**

**IMPORTANT:**

Gradcampus.com is an online college and Career Builder Programmes are offered as online learning. Students must therefore have a reasonable knowledge of how to use the internet and email, and must have access to a laptop or computer and an internet connection in order to study online. One of the key priorities of Gradcampus.com is to prepare young people for gainful employment, and therefore, our programmes are offered online. Much of the work people do today, involves the use of a computer and the internet, and therefore we believe that online studies help to prepare students better for the world of work. For the same reason, most communication with our students take place using electronic communication, for example email, online applications (like video conferencing) and online interactivities. This approach also allows Gradcampus.com to keep overhead expenses to a minimum to help us make education as affordable and accessible as possible for all.

**Requirements:**

Candidates may apply for a scholarship for any Gradcampus.com Career Builder Programme they wish to enrol in. The requirements and conditions are as follows:

- Candidate must be between 18 and 32 years old.
- Candidate must have completed Grade 12 successfully.
- Candidate must be a South African citizen.
